

3 Ways We Make Supplemental Health Claims Easy

We focus on the claims process so that you can focus on recovery.

Managing your claims can be overwhelming. That's why we provide multiple ways to get Supplemental Health claims started, and we're proactive about supporting you through the process.

1. If you have BCBSTX Supplemental Health AND medical coverage:

If you have a medical claim submitted for a qualifying event, we'll check for eligible Supplemental Health benefits and start the claim process, with your permission.

2. If you have BCBSTX Supplemental Health coverage:

You can download a claim form and submit it via fax, mail or email, along with medical documentation for your claim.

3. If you have BCBSTX Supplemental Health AND Disability coverage:

If a Disability claim is submitted, we'll check for eligible Supplemental Health benefits and start the claim process.
